INDEPENDENT AUDITORS' REPORT

The Board of Trustees of the
Public School and Public Education Employee
Retirement Systems of Missouri

Report on Schedules

We have audited the accompanying schedules of employer allocations of the Public School and Public Education Employee Retirement Systems of Missouri (the Systems) as of and for the year ended June 30, 2014, and the related notes. We have also audited the total for all entities of the columns titled net pension liability, total deferred outflows of resources, total deferred inflows of resources, and total pension expense (specified column totals) included in the accompanying schedules of pension amounts by employer of the Systems as of and for the year ended June 30, 2014, and the related notes.

Management's Responsibility for the Schedules

Management is responsible for the preparation and fair presentation of these schedules in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the schedules that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on the schedules of employer allocations and the specified column totals included in the schedules of pension amounts by employer based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the schedules of employer allocations and specified column totals included in the schedules of pension amounts by employer are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the schedules of employer allocations and specified column totals included in the schedules of pension amounts by employer. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the schedules of employer allocations and specified column totals included in the schedules of pension amounts by employer, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Systems' preparation and fair presentation of the schedules of employer allocations and specified column totals included in the schedules of pension amounts by employer in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Systems' internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the schedules of employer allocations and specified column totals included in the schedules of pension amounts by employer.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the schedules referred to above present fairly, in all material respects, the employer allocations and net pension liability, total deferred outflows of resources, total deferred inflows of resources, and total pension expense for the total of all participating entities for the Systems as of and for the year ended June 30, 2014, in accordance with U.S. generally accepted accounting principles.

Other Matter

We have audited, in accordance with U.S. generally accepted auditing standards, the financial statements of the Systems as of and for the years ended June 30, 2014 and 2013, and our report thereon, dated November 18, 2014, expressed an unmodified opinion on those financial statements.

Restriction on Use

Our report is intended solely for the information and use of the Systems' management, the Board of Trustees, the Systems' employers as of and for the year ended June 30, 2014, and their auditors and is not intended to be and should not be used by anyone other than these specified parties.

**PUBLIC SCHOOL RETIREMENT SYSTEM OF MISSOURI AND
PUBLIC EDUCATION EMPLOYEE RETIREMENT SYSTEM OF MISSOURI**

**Notes to the Schedules of Employer Allocations and Pension Amounts by Employer
As of and for the Year Ended June 30, 2014**

Note 1 - Plan Descriptions

The Board of Trustees of the Public School Retirement System of Missouri administers two separate retirement systems, the Public School Retirement System of Missouri (PSRS) and the Public Education Employee Retirement System of Missouri (PEERS), (collectively the Systems). The Board of Trustees consists of seven members, three of whom are elected PSRS active members, one an elected active member of PEERS and three persons appointed by the governor, one of whom must be a retired member of either PSRS or PEERS.

PSRS is a mandatory cost-sharing multiple employer retirement system for all full-time certificated employees and certain part-time certificated employees of all public school districts in Missouri (except the school districts of St. Louis and Kansas City) and all public community colleges. PSRS also includes certificated employees of PSRS, Missouri State Teachers' Association, Missouri State High School Activities Association, and certain employees of the state of Missouri who elected to remain covered by PSRS under legislation enacted in 1986, 1987 and 1989. The majority of PSRS members are exempt from Social Security contributions. In some instances, positions may be determined not to be exempt from Social Security contributions. Any PSRS member who is required to contribute to Social Security comes under the requirements of Section 169.070 (9) RSMo, known as the "2/3's statute." PSRS members required to contribute to Social Security are required to contribute two-thirds of the approved PSRS contribution rate and their employer is required to match the contribution. The members' benefits are further calculated at two-thirds the normal benefit amount. PSRS had 536 contributing employers during fiscal year 2014.

PEERS is a mandatory cost-sharing multiple employer retirement system for all public school district employees (except the school districts of St. Louis and Kansas City), employees of the Missouri Association of School Administrators, and community college employees (except the Community College of St. Louis). Employees of covered districts who work 20 or more hours per week on a regular basis and who are not contributing members of the Public School Retirement System of Missouri (PSRS) must contribute to PEERS. Employees of PSRS who do not hold Missouri educator certificates also contribute to PEERS. PEERS was established as a trust fund by an Act of the Missouri General Assembly effective October 13, 1965. Statutes governing the System are found in Sections 169.600 - 169.715 and Sections 169.560-169.595 RSMo. The statutes place responsibility for the operation of PEERS on the Board of Trustees of the Public School Retirement System of Missouri. PEERS had 532 contributing employers during fiscal year 2014.

Further information related to required contributions, pension benefits, other plan terms, and investments and related return and financial information related to PSRS and PEERS is available as described in Note 4.

Note 2 – Summary of Significant Accounting Policies

PSRS and PEERS' employers are required to report pension information in their financial statements for fiscal periods beginning on or after June 15, 2014, in accordance with Governmental Accounting Standards Board Statement No. 68, *Accounting and Financial Reporting for Pensions*. The Schedule of Employer Allocations and Schedule of Pension Amounts by Employer provide employers with the required information for financial reporting under that standard.

The underlying financial information used to prepare the pension allocation schedules is based on PSRS' and PEERS' financial statements. The financial statements of both PSRS and PEERS were prepared using the accrual basis of accounting and in accordance with accounting principles generally accepted in the U.S.

Member and employer contributions are recognized when due, pursuant to formal commitments and statutory requirements. Benefits and refunds of employee contributions are recognized when due and payable in accordance with the statutes governing PSRS and PEERS. Expenses are recognized when the liability is incurred, regardless of when payment is made. Investments are reported at fair value on a trade date basis.

Total employer contributions due for the fiscal year 2014 were used as the basis for determining each employer's proportionate share of the collective pension amounts reported on the schedules. Total employer contributions due for the fiscal year 2013 were used as the basis for determining the employer's proportionate share of the beginning net pension liability, net of a \$5,751,040 contribution refund related to one of the employers. However, contributions used for allocation purposes excluded \$625,670 and \$610,592 for the years ended June 30, 2014 and 2013, respectively, contributed on behalf of the Systems' members. The Systems are excluded from all allocations.

Note 3 – Actuarial Assumptions and Methods

The components of the net pension liability of the Systems' employers at June 30, 2014, are as follows:

	Total Pension Liability (TPL) (a)	Plan Fiduciary Net Position - Restricted for Pensions (b)	Net Pension Liability (NPL) (a - b)	Plan Fiduciary Net Position as a % of TPL (b/a)	Covered Employee Payroll (c)	Employers' NPL as a % of Covered Payroll ((b-a)/c)
PSRS	\$ 38,483,183,932	\$ 34,380,608,560	\$ 4,102,575,372	89.3%	\$ 4,425,567,630	92.7%
PEERS	\$ 4,211,488,832	\$ 3,846,322,886	\$ 365,165,946	91.3%	\$ 1,442,700,979	25.3%

The total pension liability was calculated by the Systems' independent actuary as of June 30, 2014 and 2013. The entry age normal cost method was utilized along with an inflation assumption of 2.5% and a long-term expected rate of return on investments of 8.0% (net of investment expenses and including inflation factor).

Actuarial valuations of the Systems involve estimates of the reported amount and assumptions about probability of occurrence of events far into the future. Examples include assumptions about future employment mortality and future salary increases. Amounts determined regarding the net pension liability are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The last experience study was conducted in 2011, and the next experience study is scheduled for 2016.

Note 4 – Additional Financial and Actuarial Information

Additional financial and actuarial information supporting the preparation of the Schedules of Employer Allocations and Schedules of Pension Amounts by Employer is included in the Systems' Comprehensive Annual Financial Report for the year ended June 30, 2014. The Comprehensive Annual Financial Report ("CAFR") can be obtained at www.psr-peers.org or at Public School and Education Employee Retirement Systems of Missouri (PSRS/PEERS), P.O. Box 268, Jefferson City, MO 65102.
