INDEPENDENT AUDITOR'S REPORT

Nebraska Public Employees Retirement Board

Report on the Audit of the Schedules

Opinions

We have audited the accompanying Schedule of Allocated Proportion by Employer of the Nebraska Public Employees Retirement Systems (NPERS) – School Employees Retirement Plan as of and for the year ended June 30, 2023, and the related notes. We have also audited the total for all entities of the column titled Total NPL/(Asset) included in the accompanying Schedule of Net Pension Liability (NPL)/(Asset), and the total for all entities of the columns titled Total Deferred Outflows of Resources, Total Deferred Inflows of Resources, and Total Employer Pension Expense/(Income) (specified column totals) included in the accompanying Schedule of Pension Amounts by Employer of the NPERS – School Employees Retirement Plan as of and for the year ended June 30, 2023, and the related notes.

In our opinion, the accompanying Schedules referred to above present fairly, in all material respects, the employer allocations and Total Net Pension Liability (NPL)/(Asset), Total Deferred Outflows of Resources, Total Deferred Inflows of Resources, and Total Employer Pension Expense/(Income) for all participating entities for the School Employees Retirement Plan as of and for the year ended June 30, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* (*Government Auditing Standards*), issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Schedules section of the report. We are required to be independent of NPERS and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Schedules

Management is responsible for the preparation and fair presentation of the Schedules in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Schedules that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Schedules

Our objectives are to obtain reasonable assurance about whether the Schedule of Allocated Proportion by Employer and the specified column totals included in the Schedule of Net Pension Liability (NPL)/(Asset), and the Schedule of Pension Amounts by Employer, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the Schedule of Allocated Proportion by Employer and specified column totals included in the Schedule of Net Pension Liability (NPL)/(Asset), and the Schedule of Pension Amounts by Employer.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the Schedule of Allocated Proportion by Employer and the specified column totals included in the Schedule of Net Pension Liability (NPL)/(Asset), and Schedule of Pension Amounts by Employer, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the Schedules.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the NPERS – School Employees Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the Schedule of Allocated Proportion by Employer and the specified column totals included in the Schedule of Net Pension Liability (NPL)/(Asset), and Schedule of Pension Amounts by Employer.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Financial Statement Report

We have audited, in accordance with GAAS and *Government Auditing Standards*, the financial statements of NPERS – School Employees, Judges, and State Patrol Retirement Plans as of and for the year ended June 30, 2023, and our report thereon, dated January 25, 2024, expressed an unmodified opinion on those financial statements.

Restriction on Use

Our report is intended solely for the information and use of NPERS management, members of the Retirement Board, NPERS – School Employees Retirement Plan employers and their auditors, and it is not intended to be, and should not be, used by anyone other than these specific parties.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated August 28, 2024, on our consideration of NPERS – School Employees Retirement Plan’s internal control over financial reporting of the Schedules and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of NPERS’ internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering NPERS’ internal control over financial reporting and compliance.

*Assumes no difference between actual employer contributions and the employer's proportionate share of total contributions because the proportionate share is based on the actual employer contributions, except for the State, which contributes a flat percentage. In addition, it is the employer's responsibility to adjust these numbers for any employer contributions subsequent to the Measurement Date, which are to be reported as a Deferred Outflow of Resources.

*Assumes no difference between actual employer contributions and the employer's proportionate share of total contributions because the proportionate share is based on the actual employer contributions, except for the State, which contributes a flat percentage. In addition, it is the employer's responsibility to adjust these numbers for any employer contributions subsequent to the Measurement Date, which are to be reported as a Deferred Outflow of Resources.

*Assumes no difference between actual employer contributions and the employer's proportionate share of total contributions because the proportionate share is based on the actual employer contributions, except for the State, which contributes a flat percentage. In addition, it is the employer's responsibility to adjust these numbers for any employer contributions subsequent to the Measurement Date, which are to be reported as a Deferred Outflow of Resources.

1. Summary of Significant Accounting Policies

A. Basis of Presentation

Employers participating in the NPERS – School Employees Retirement Plan cost-sharing, multiple-employer defined benefit plan are required to report pension information in their financial statements for fiscal periods beginning on or after June 15, 2014, in accordance with Governmental Accounting Standards Board (GASB) Statement No. 68, Accounting and Financial Reporting for Pensions. The Schedule of Allocated Proportion by Employer, Schedule of Net Pension Liability (NPL)/(Asset), and Schedule of Pension Amounts by Employer provide employers with the required information for financial reporting.

The underlying financial information used to prepare the pension allocation schedules is based on NPERS – School Employees Retirement Plan financial statements. NPERS financial statements for all plans are prepared using the accrual basis of accounting and are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), which apply to governmental accounting for fiduciary funds.

Employer contributions, employer adjustments, and accounts receivable/payable for pay period begin dates between July 1, 2022, and June 30, 2023, were used as the basis for determining each employer's proportionate share of the collective pension amounts reported in the Schedule of Allocated Proportion by Employer.

The difference between employer contributions reported on the School Employees Retirement Plan Statement of Changes in Plan Net Position of \$224,030,311 and employer contributions reported on the Schedule of Allocated Proportion by Employer of \$224,085,624 totals \$55,313. The variance of \$55,313 is due to differences in the accrual of employer contributions receivable and is included in total pension expense/(income).

The Employer Allocated Percentage by Contributions on the Schedule of Allocated Proportion by Employer represents each employer's reported actual contributions divided by the total reported actual employer contributions for all school employers.

The Final Employer Allocated Percentage on the Schedule of Allocated Proportion by Employer represents each employer's reported actual contributions divided by the total reported actual employer contributions and non-employer contributing entity contributions. The non-employer contributing entity contributions totaled \$45,821,148. The non-employer contributing entity, the State of Nebraska, contributes an amount equal to two percent of the compensation of all members of the school employee retirement system, in accordance with Neb. Rev. Stat. § 79-966(2) (Cum. Supp. 2022). The percentages in this column are used to calculate each employer's proportionate shares on the Schedule of Net Pension Liability (NPL)/(Asset), and the Schedule of Pension Amounts by Employer. The State of Nebraska's proportionate share is 16.976657%, calculated by dividing its contributions by the total annualized employer and non-employer contributions (\$45,821,148/\$269,906,772).

1. Summary of Significant Accounting Policies (Concluded)

The Changes in Proportion, presented as a Deferred Outflow of Resources or Deferred Inflow of Resources on the Schedule of Pension Amounts by Employer, are calculated as the difference between each employer's current year final employer allocated percentage and the previous fiscal year final employer allocated percentage, multiplied by the previous year's collective net pension liability/(asset), less the amount to be recognized in the current period as Pension Expense/(Income). These amounts also include the prior year Deferred Outflows of Resources and Deferred Inflows of Resources less the amount to be recognized in the current period as pension expense/(income).

Prior year information can be found in the GASB Statement No. 68 reports prepared by the plan actuary as of June 30, 2014, through June 30, 2022 (see Note 3). The change in proportion to be reported as pension expense/(income) in the current year is determined by spreading the total change over the average expected remaining service life of the entire plan membership at the beginning of the measurement period, which is 5.35 years. That amount is presented as the Net Recognition of Deferred Amounts from Changes in Proportionate Share found under Pension Expense/(Income) on the Schedule of Pension Amounts by Employer.

The Differences Between Expected and Actual Experience are also to be recognized over the average expected remaining service life of the entire plan membership at the beginning of the measurement period, which is 5.35 years. The non-current amount is presented as a Deferred Inflow of Resources on the Schedule of Pension Amounts by Employer. The current amount is included in the Proportionate Share of Plan Pension Expense/(Income) on the Schedule of Pension Amounts by Employer.

The Differences Between Projected and Actual Earnings on Pension Plan Investments are to be recognized over a five-year period. The non-current amount is presented as a Deferred Outflow of Resources and a Deferred Inflow of Resources on the Schedule of Pension Amounts by Employer. The current amount is included in the Proportionate Share of Plan Pension Expense/(Income) on the Schedule of Pension Amounts by Employer.

A Schedule of Recognition Amounts by Employer, showing Deferred Outflows of Resources and Deferred inflows of Resources to be recognized in future years, by employer, has been prepared by the actuary's GASB Statement No. 68 report as of June 30, 2023. That report is available through NPERS, see Note 3 below.

School employers participating in the plan have fiscal years ending August 31st. Roll-forward procedures have not been completed. NPERS expects all school employers will prepare financial statements in conformity with a comprehensive basis of accounting other than generally accepted accounting principles.

2. Plan Description

The Legislature created the Public Employees Retirement Board (Board) in 1971 to administer the existing Nebraska retirement systems. Currently, the Board is responsible for the administration of five retirement plans and the Deferred Compensation Plan. The five retirement plans administered are the School Employees, State Patrol, Judges, State Employees, and County Employees Retirement Plans.

2. Plan Description (Concluded)

The School Employees Retirement Plan has been created in accordance with Internal Revenue Code Sections 401(a), 414(h), and 414(k). Participants should refer to Neb. Rev. Stat. §§ 79-901 through 79-977.03 (Reissue 2014, Cum. Supp. 2022, Supp. 2023) for the School Employees Retirement Act. Benefit and contribution provisions are established by State law and may be amended only by the Nebraska Legislature.

The School Employees Retirement Plan is a cost-sharing, multiple-employer defined benefit pension plan. In 1945, the Legislature enacted the law establishing a retirement plan for school employees of the State. During fiscal year 2023, there were 263 participating school districts. These were the districts that had contributions during the fiscal year. All regular public school employees in Nebraska, other than those who have their own retirement plans (Class V school districts, Nebraska State Colleges, University of Nebraska, and Nebraska Community Colleges), are members of the plan.

3. Actuarial Methods and Assumptions

The total pension liability for the School Employees Retirement Plan was determined by an actuarial valuation as of the June 30, 2023, measurement date, using the entry age normal actuarial cost method. Inflation is assumed to be 2.45 percent. The long-term expected rate of return on pension plan investments used in the determination of the total pension liability is 7.10 percent.

The actuarial assumptions used in the July 1, 2023, valuation were based on the results of the actuarial experience study, which covered the four-year period ending June 30, 2019. The experience study report is dated December 21, 2020.

The supporting actuary information is included in the July 1, 2023, Actuarial Valuation Report, and the June 30, 2023, GASB Statement No. 67 and 68 reports prepared by the actuary. Those reports can be obtained from <https://npers.ne.gov> under Member Info – Publications, by writing to Nebraska Public Employees Retirement Systems, P.O. Box 94816, Lincoln, NE, 68509-4816, or by calling 402-471-2053.

4. Additional Financial Information

Additional financial information supporting the preparation of the Schedule of Allocated Proportion by Employer, the Schedule of Net Pension Liability (NPL)/(Asset), and the Schedule of Pension Amounts by Employer (including the unmodified audit opinion on the financial statements) is presented in a separate report prepared by NPERS. That report can be obtained from <https://npers.ne.gov> under Member Info – Publications, by writing to Nebraska Public Employees Retirement Systems, P.O. Box 94816, Lincoln, NE, 68509-4816, or by calling 402-471-2053.

**INDEPENDENT AUDITOR'S REPORT
ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS***

Nebraska Public Employees Retirement Board
Lincoln, Nebraska

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*), the Schedule of Allocated Proportion by Employer of the Nebraska Public Employees Retirement Systems (NPERS) – School Employees Retirement, as of and for the year ended June 30, 2023, and the related notes. We have also audited the total for all entities of the column titled Total NPL/(Asset) included in the accompanying Schedule of Net Pension Liability (NPL)/(Asset), and the total for all entities of the columns titled Total Deferred Outflows of Resources, Total Deferred Inflows of Resources, and Total Employer Pension Expense/(Income) (specified column totals) included in the accompanying Schedule of Pension Amounts by Employer of the NPERS – School Employees Retirement Plan, as of and for the year ended June 30, 2023, and the related notes, and have issued our report thereon dated August 28, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit, we considered the NPERS – School Employees Retirement Plan's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the Schedules referred to previously, but not for the purpose of expressing an opinion on the effectiveness of the NPERS – School Employees Retirement Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the NPERS – School Employees Retirement Plan's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the NPERS – School Employees Retirement Plan's Schedules will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the NPERS – School Employees Retirement Plan’s Schedules are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of Schedule amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, not to provide an opinion on the effectiveness of the NPERS – School Employees Retirement Plan’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the NPERS – School Employees Retirement Plan’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
