Paul Matson
Director

November 7, 2018

To: ASRS Employers

Included with this letter is the Schedule of Employer Allocations, as of and for the year ended June 30, 2018, the Schedules of Pension and OPEB Amounts by Employer, as of and for the year ended June 30, 2018, and related notes to the schedules.

These schedules and related notes were prepared by the ASRS in conjunction with its actuary and audited by the ASRS' external auditor. Employers may use, but are not required by any authoritative body to use, these schedules in order to be in compliance with GASB Statement 68, Accounting and Financial Reporting for Pensions, and GASB Statement 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions. Employers are responsible for the fair presentation of financial information presented in their financial statements in accordance with accounting principles generally accepted in the United States of America. Employers are free to calculate their proportionate share of pension and OPEB amounts if they choose.

The ASRS is responsible for the preparation and fair presentation of these schedules and related notes in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the schedules that are free from material misstatement, whether due to fraud or error.

In addition to the schedules identified above, the ASRS has prepared supplementary Schedules of Net Deferred Outflows and Inflows of Resources by Employer to be Recognized in Pension and OPEB Expense (five years and in aggregate thereafter) and related note to the supplementary schedules.

Respectfully,

Paul Matson, Executive Director

Erin Higbee, Chief Financial Officer

INDEPENDENT AUDITORS' REPORT

The Honorable Douglas A. Ducey, Governor
State of Arizona and Board of Trustees
Arizona State Retirement System

Report on Schedules

We have audited:

- the accompanying schedules of employer allocations of the Retirement Fund, Health Benefit Supplement Fund (HBS Fund) and Long Term Disability Fund (LTD Fund) of the Arizona State Retirement System (ASRS), a component unit of the State of Arizona, as of and for the year ended June 30, 2018,
- the total of the columns titled beginning net pension liability, ending net pension liability, total deferred outflows of resources, total deferred inflows of resources, and total pension expense as of and for the year ended June 30, 2018 (specified Retirement Fund column totals), included in the accompanying schedule of pension amounts by employer,
- the total of the columns titled beginning net OPEB liability, ending net OPEB liability, total deferred outflows of resources, total deferred inflows of resources, and total OPEB expense as of and for the year ended June 30, 2018 (specified HBS Fund column totals), included in the accompanying schedule of HBS OPEB amounts by employer, and
- the total for LTD of the columns titled beginning net OPEB liability, ending net OPEB liability, total deferred outflows of resources, total deferred inflows of resources, and total OPEB expense as of and for the year ended June 30, 2018 (specified LTD Fund column totals), included in the accompanying schedule of LTD OPEB amounts by employer,
- and the respective related notes

(collectively referred to herein as the "GASB 68 and 75 Schedules").

Management's Responsibility for the Schedules

Management is responsible for the preparation and fair presentation of these GASB 68 and 75 Schedules in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the GASB 68 and 75 Schedules that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on the schedules of employer allocations of the Retirement Fund, HBS Fund and LTD Fund and the specified Retirement Fund column totals included in the schedule of pension amounts by employer, the specified HBS Fund column totals included in the schedule of HBS OPEB amounts by employer and the specified LTD Fund column totals included in the schedule of LTD OPEB amounts by employer, based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the schedules of employer allocations of the Retirement Fund, HBS Fund and LTD Fund and the specified Retirement Fund column totals included in the schedule of pension amounts by employer, the specified HBS Fund column totals included in the schedule of HBS OPEB amounts by employer and the specified LTD Fund column totals included in the schedule of LTD OPEB amounts by employer are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the GASB 68 and 75 Schedules. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the GASB 68 and 75 Schedules, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the GASB 68 and 75 Schedules in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the GASB 68 and 75 Schedules.

Independent Auditors' Report

The Honorable Douglas A. Ducey, Governor
State of Arizona and Board of Trustees

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the GASB 68 and 75 Schedules referred to above present fairly, in all material respects, the employer allocations of the Retirement Fund, HBS Fund and LTD Fund as of and for the year ended June 30, 2018 and the total for all ASRS participating entities of the columns titled beginning net pension liability, ending net pension liability, total deferred outflows of resources, total deferred inflows of resources, and total pension expense of the Retirement Fund as of and for the year ended June 30, 2018, the columns titled beginning net OPEB liability, ending net OPEB liability, total deferred outflows of resources, total deferred inflows of resources, and total OPEB expense of the HBS Fund as of and for the year ended June 30, 2018, and the columns titled beginning net OPEB liability, ending net OPEB liability, total deferred outflows of resources, total deferred inflows of resources, and total OPEB expense of the LTD Fund as of and for the year ended June 30, 2018, in accordance with accounting principles generally accepted in the United States of America.

Other Matter

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of ASRS as of and for the year ended June 30, 2018, and our report thereon, dated November 1, 2018, expressed an unmodified opinion on those statements.

Other Information

Our audits were conducted for the purpose of forming an opinion on the schedules of employer allocations of the Retirement Fund, HBS Fund and LTD Fund and the specified Retirement Fund column totals included in the schedule of pension amounts by employer, the specified HBS Fund column totals included in the schedule of HBS OPEB amounts by employer and the specified LTD Fund column totals included in the schedule of LTD OPEB amounts by employer. The schedules of net deferred outflows and inflows of resources by employer to be recognized in pension expense, net deferred outflows and inflows of resources by employer to be recognized in HBS OPEB expense, and net deferred outflows and inflows of resources by employer to be recognized in LTD OPEB expense (collectively referred to herein as the "Supplementary Schedules"), and the related notes, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the GASB 68 and 75 Schedules.

The Supplementary Schedules, and the related notes, as listed in the table of contents, are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the GASB 68 and 75 Schedules. Such information has been subjected to the auditing procedures applied in the audits of the GASB 68 and 75 Schedules, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the GASB 68 and 75 Schedules or to the GASB 68 and 75 Schedules themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Supplementary Schedules, and the related notes, are fairly stated, in all material respects, in relation to the GASB 68 and 75 Schedules as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 15, 2019, on our consideration of ASRS' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the ASRS' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering ASRS' internal control over financial reporting.

Restriction on Use

Our report is intended solely for the information and use of ASRS, the Board of Trustees, ASRS employers as of and for the year ended June 30, 2018 and their auditors and is not intended to be, and should not be, used by anyone other than these specified parties.

Note 1. Plan Description

Organization – The Arizona State Retirement System (ASRS) is a component unit of the State of Arizona. The ASRS is a cost-sharing, multiple-employer, pension plan established by the State of Arizona to provide pension benefits for employees of the State and employees of participating political subdivisions and school districts. The ASRS is administered in accordance with Title 38, Chapter 5, Articles 2 and 2.1 of the Arizona Revised Statutes (A.R.S.).

The ASRS is a qualified governmental pension plan pursuant to I.R.C. § 414. The ASRS pension plan has two components, the Plan and the System (collectively, Retirement Fund). The assets of the Retirement Fund are utilized to pay benefits to members of both Plan and System. The Plan is a defined benefit plan and the System is a closed defined contribution plan, with guaranteed benefits. These plans are administered through a trust.

The System was established by the Arizona Legislature in 1953 to provide retirement and other benefits for state employees, teachers, and employees of political subdivisions that elected coverage. In 1943, the Legislature established the Arizona Teachers' Retirement System (the Teachers' System) to provide benefits for teachers. After the establishment of the ASRS, teachers who were, or later became, eligible through employment covered by the ASRS were transferred to the System. The Teachers' System then became inactive, except for continuation of retirement benefits already being paid and obligations to teacher members who did not become eligible for the ASRS.

The Plan, enacted by the Legislature in 1970, became effective July 1, 1971. Effective July 1, 1981, all non-retired members of the System became members of the Plan, as prescribed by Laws of 1980, Chapter 238.

In addition to retirement benefits, the ASRS provides retired members access to health insurance and a health insurance premium supplement benefit. The ASRS also provides a long term disability program for actively contributing members. The Health Benefits Supplement (HBS) program is administered in accordance with Title 38, Chapter 5, Article 2. The Long Term Disability (LTD) program is administered in accordance with Title 38, Chapter 5, Article 2.1.

A.R.S. § 38-783 and A.R.S. § 38-797 establish the HBS program and the LTD, respectively. Effective July 1, 1995, the ASRS established an account for each benefit program and has reported those funds in the basic financial statements. Both the HBS Program and the LTD Program are cost-sharing, multiple-employer postemployment benefit plans. The LTD and HBS Funds' assets or income may be utilized solely for the payment of eligible member benefits of each respective fund.

Plan Administration – The operations and administration of the ASRS are vested with the ASRS Board, which is comprised of nine members, whom are appointed by the Governor and confirmed by the Arizona Senate pursuant to A.R.S. § 38-211. The ASRS Board is responsible for establishing and maintaining the funding policy.

The composition of the ASRS Board, their qualifications and term are defined in A.R.S. §38-713. Five of the trustees must be ASRS members each representing one of the following member groups: an educator, an employee of a political subdivision, a retired member, an employee of the State and an at large member who may represent any ASRS member group. Each trustee representing an ASRS member group must have no less than five years of administrative management experience. Additionally, four trustees, who are not ASRS members, are appointed to represent the public. Four trustees of the ASRS Board must have a minimum of 10 years of investment experience. There is no limit on the number of terms a trustee may serve.

Pursuant to the Arizona Revised Statutes, contribution requirements for active members and their participating employers are established and may be amended by the ASRS Board. Contribution rates are actuarially determined and are expected to finance the costs of benefits earned by members during the year and any unfunded accrued liability. The cost of administering the Plan is financed through employer contributions, member contributions and investment earnings.

Health Insurance - Pursuant to A.R.S. §38-782, the Retiree Group Insurance Program makes available group health insurance coverage to eligible retired and disabled members and their dependents. Retired and disabled members of the ASRS, University Optional Retirement Plans, the Public Safety Personnel Retirement System, the Elected Officials' Retirement Plan, the Elected Officials Defined Contribution Plan, the Community College District Optional Retirement Plans and the Corrections Officer Retirement Plan are eligible for health insurance benefits through the ASRS.

The ASRS, and eligible retirees, pay premiums on a monthly basis to a contracted health insurance provider as consideration for health insurance coverage provided. The ASRS contract with the insurance provider allows for a portion of the difference between the total revenues and total claims expenses incurred by the provider to be distributed back to the ASRS in the form of a Retrospective Rate Adjustment (RRA) refund. The amount is calculated based on a targeted retention ratio as agreed upon per the contract and may fluctuate from year-to-year. RRA assets are held in the HBS fund, but are not restricted to pay HBS program benefits.

Health Benefit Supplement Program - Pursuant to A.R.S. §38-783, retired and disabled members, with at least five years of credited service, are eligible to participate in the HBS program. This assistance is provided to those members who elect group coverage through either the ASRS Retiree Group Insurance Program or their former member employer. For a more detailed summary of benefits, refer to the Summary of Plan Provisions in the Actuarial Section of the June 30, 2018 Comprehensive Annual Financial Report (CAFR) that can be found on the ASRS website.

In accordance with the funding policy as of June 30, 2018, the required contribution rate for employers for their active members was 0.44% of covered payroll. There were 74,529 retired members or their beneficiaries receiving benefits as of June 30, 2018.

Long Term Disability Program - Pursuant to A.R.S. §38-797, members of the ASRS are eligible for LTD benefits in the event they become unable to perform their work.

In accordance with the funding policy as of June 30, 2018, the required contribution rate for employers and active members was 0.16% of covered payroll. There were 3,488 disabled members receiving long term disability benefits as of June 30, 2018.

Reporting Entity – The financial statements of the ASRS include the financial activities of the Retirement Fund, HBS Fund and LTD Fund. The ASRS is considered a component unit of the State of Arizona reporting entity and is included in the State’s financial reports as a pension trust fund.

Retirement Benefits – The ASRS provides benefits under formulas and provisions described in Arizona State law. Benefits and administrative expenses are paid from monies contributed by members and employers and from earnings on investments. The ASRS provides for retirement, disability, health insurance premium supplemental benefits and survivor benefits.

Retirement benefits are calculated on the basis of total credited service, average monthly compensation, and graded multiplier, which is established on a fiscal year basis (July 1 to June 30). Members with an initial membership date before July 1, 2011, are eligible for full retirement benefits upon the earliest of attaining:

- Age 65;
- Age 62 with 10 years of credited service;
- Age plus credited service equaling 80 or more

Members with initial membership dates on or after July 1, 2011, are eligible for full retirement benefits upon the earliest of attaining:

- Age 65;
- Age 62 with 10 years of credited service;
- Age 60 with 25 years of credited service;
- Age 55 with 30 years of credited service

Average monthly compensation is determined by a 60-month or 36-month calculation depending on the membership date.

Termination pay includes vacation/sick pay (except for state and county employees), compensation time pay, termination incentive pay (excludes payments made after retirement begins, such as VIP or ESP), or any other payments paid at the time of termination.

Exhibit 1: Average Monthly Compensation Calculation

Membership Date	Calculation	
Prior to January 1, 1984	<i>Greater of the following calculations:</i>	
	36 Months	This is calculated by taking the highest consecutive 36 months of contributions within the last 120 months (10 years) of contributions reported. Termination Pay is excluded.
	60 Months	This is calculated by taking the highest consecutive 60 months of contributions within the last 120 months (10 years) of contributions reported. Termination Pay is included.
January 1, 1984 - June 30, 2011	36 Months	This is calculated by taking the highest consecutive 36 months of contributions within the last 120 months (10 years) of contributions reported. Termination Pay is excluded.
July 1, 2011, or after	60 Months	This is calculated by taking the highest consecutive 60 months of contributions within the last 120 months (10 years) of contributions reported. Termination Pay is excluded.

The graded multiplier is a percentage set by Arizona State statute. It is the percentage of the average monthly compensation members will receive for each year of credited service they have accrued at retirement. This percentage is based on their total years of service at retirement based on the following graded multiplier schedule:

Exhibit 2: Graded Multiplier

Years of Service	Multiplier
0.00-19.99 years	2.10%
20.00-24.99 years	2.15%
25.00-29.99 years	2.20%
30.00 or more years	2.30%

Permanent Benefit Increase (PBI) – Retired members who have been retired for at least one year, and members receiving LTD benefits, are eligible for a benefit increase adjustment annually up to a maximum of 4%, if funds are available.

The PBI is paid when the average investment return is in excess of 8% over a rolling 10 year period from a reserve of excess investment earnings. Funds are reserved when total actuarial investment returns for each fiscal year are greater than 8%. If there are no excess investment earnings in the reserve, then no additional benefit increase is paid. As of June 30, 2018, there is a zero balance in the reserve for future PBIs.

Enhanced Permanent Benefit Increase (EPBI) – Retired members with at least 10 years of service who have been retired five or more years are eligible for an enhanced permanent benefit increase.

For each complete five-year period the member has been retired, an incremental benefit is paid if monies to pay the benefit are available. This benefit is funded by an interest credit of 8% of the reserve for future PBIs.

Due to legislation enacted in the 2013 legislative session, PBIs and EPBIs will not be awarded to members hired after September 13, 2013.

HBS Benefits – Pursuant to A.R.S. § 38-783, retired and disabled members, with at least five years of credited service, are eligible to receive HBS program benefits. The benefits are payable only with respect to allowable health insurance premiums for which the member is responsible. The maximum monthly benefits for members with 10 or more years of service range from \$150 to \$215, depending on age and number of dependents. For members with five to nine years of service, the benefits are the same dollar amounts as above multiplied by a vesting fraction equal to 10% for each completed year of service (i.e., 50% to 90%).

LTD Benefits – Pursuant to A.R.S. § 38-797, members of the ASRS are eligible for LTD benefits in the event they become unable to perform their work. The monthly benefit is equal to two-thirds of their monthly compensation. Participants continue to earn service credit up to their normal retirement dates. Members with LTD commencement dates after June 30, 1999 are limited to 30 years of service or the service on record as of the effective disability date, if their service is greater than 30 years.

Contributions – Per the Arizona Revised Statutes, contribution requirements for active members and their participating employers are established, and may be amended, by the ASRS Board. Contribution rates are actuarially determined and are expected to finance the costs of benefits accrued by plan members during the year and any unfunded accrued liability. The cost of administering the pension and other postemployment benefits is financed through employer contributions, member contributions and investment earnings.

Employers are also required to pay an Alternate Contribution Rate (ACR) for retired members who return to work. ACR contributions totaling \$28.6 million were received during the 2018 fiscal year and are included in Employer Contributions on the Combined Statements of Changes in Fiduciary Net Position.

The contractually required contribution rates of employers as a percentage of covered payroll and the employees' matching contributions were as follows for fiscal year 2018:

Exhibit 3: Contribution Rates

Contribution Rates	Employer	Member
Retirement	10.90%	11.34%
Health benefit supplement	0.44%	0.00%
Long term disability	0.16%	0.16%
Total required	11.50%	11.50%

Exhibit 4: Alternate Contribution Rates

Alternate Contribution Rates	Employer	Member
ACR Retirement	9.26%	0.00%
ACR Health benefit supplement	0.10%	0.00%
ACR Long term disability	0.13%	0.00%
Total ACR required	9.49%	0.00%

The Arizona Revised Statutes allow the purchase of eligible service credit for which no benefit can be paid by another qualified plan. Purchasable services include leave of absence, military service, other public service employment and previously forfeited service under the ASRS. The Arizona Revised Statutes also allow purchase of military service regardless of whether a benefit may be paid.

Termination of Employment – Upon termination of employment, members may elect to receive their contributions made to the Plan, plus accrued interest.

Members with an initial membership date before July 1, 2011, may receive a percentage of employer contributions to the Plan based on years of service as follows:

Exhibit 5: Vesting Period

(Initial membership date before July 1, 2011)

Years of Service	Vesting
5 to 5.9	25%
6 to 6.9	40%
7 to 7.9	55%
8 to 8.9	70%
9 to 9.9	85%
10 or more	100%

Members with an initial membership date on or after July 1, 2011 will not receive any portion of the employer contributions if they withdraw their account balance prior to retirement. This does not apply to terminations due to an employer reduction in force or position elimination, in which case the above ASRS vesting schedule will apply.

Withdrawal of accumulated contributions results in forfeiture of the member's accrued benefits in the Plan; however, state law allows for reinstatement of a member's forfeited service upon repayment of the accumulated contributions, plus interest if a former member returns to covered service.

Note 2. Condensed Summary of Significant Accounting Policies

Governmental Accounting Standards Board (GASB) Statements No. 68 and No. 75. require entities to report pension and other post employment benefits (OPEB) information in their financial statements. The Schedules of Employer Allocations, Schedule of Pensions Amounts by Employer, Schedule of HBS OPEB Amounts by Employer and Schedule of LTD OPEB Amounts by Employer (collectively, pension and OPEB allocation schedules) provide employers participating in the ASRS with the required information for financial reporting.

Basis of Accounting – The underlying financial information used to prepare the pension and OPEB allocation schedules is based on the ASRS financial statements. The ASRS financial statements are prepared using the accrual basis of accounting and are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) that apply to governmental accounting for fiduciary funds.

Employer Contributions – Contributions are recognized as revenues when due, pursuant to statutory and contractual requirements.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

For a complete description of significant accounting policies, please refer to the ASRS' June 30, 2018 CAFR.

Note 3. Net Pension and OPEB Liability (Asset) of Employers

The components of the net pension and OPEB liability of the participating employers at June 30, 2018 were as follows:

Exhibit 6: Net Pension and OPEB Liability (Asset) of Employers (Dollars in Thousands)

	Retirement	HBS	LTD
Total pension/OPEB liability	\$ 52,438,430	\$ 1,638,886	\$ 235,694
Fund fiduciary net position	(38,491,949)	(1,674,895)	(183,444)
Employers' net pension/OPEB liability (asset)	<u>\$ 13,946,481</u>	<u>\$ (36,009)</u>	<u>\$ 52,250</u>
Fund fiduciary net position as a percentage of total pension/OPEB liability	73%	102%	78%

Actuarial Assumptions – The total pension and OPEB liabilities were determined by an actuarial valuation as of June 30, 2017, and rolled forward using generally accepted actuarial procedures to June 30, 2018:

Exhibit 7: Actuarial Assumptions – Retirement

Assumptions

Actuarial valuation date	June 30, 2017
Measurement date	June 30, 2018
Actuarial cost method	Entry age normal
Asset valuation method	Fair value
Discount rate	7.5%
Projected salary increases	2.7 - 7.2%
Inflation	2.3%
Permanent benefit increase	Included
Mortality rates	2017 SRA Scale U-MP

Exhibit 8: Actuarial Assumptions – HBS

Assumptions

Actuarial valuation date	June 30, 2017
Measurement date	June 30, 2018
Actuarial cost method	Entry Age Normal
Asset valuation method	Fair Value
Inflation	2.3%
Discount rate	7.5%
Mortality rates	2017 SRA Scale U-MP
Healthcare Trend Rates	N/A

Exhibit 9: Actuarial Assumptions – LTD

Assumptions

Actuarial valuation date	June 30, 2017
Measurement date	June 30, 2018
Actuarial cost method	Entry Age Normal
Asset valuation method	Fair Value
Inflation	2.3%
Discount rate	7.5%
Recovery rates	2012 GLDT
Healthcare Trend Rates	N/A

The actuarial assumptions pertain to assumptions utilized for financial reporting requirements and differ from the assumptions utilized for funding purposes. The principal differences between the actuarial assumptions for financial reporting purposes and those utilized for funding purposes are the amortization methodology and valuation of assets.

The actuarial assumptions related to funding appear in the Notes to Required Supplementary Information and the Actuarial Section of the June 30, 2018 CAFR. The actuarial assumptions were selected on the basis of an experience study which was performed for the five-year period ending June 30, 2016. The ASRS Board adopted the experience study which recommended changes, and those changes were effective as of the June 30, 2017 actuarial valuation.

The long term expected rate of return on investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage, excluding any expected inflation.

On June 29, 2018, the ASRS Board approved updated strategic asset allocation targets, to be effective beginning July 2018. The ASRS' estimates of geometric real rates of return for each major asset class are summarized in the following table:

Exhibit 10: Expected Return, Geometric Basis

Asset Class	Target Asset Allocation Effective July 1, 2018	Real Return Geometric Basis	Long term Contribution to Expected Real Return
Equity	50%	5.50%	2.75 %
Fixed income	30%	3.83%	1.15 %
Real estate	20%	5.85%	1.17 %
Total	100%		5.07 %

Actual returns may be different due to volatility of returns.

Discount rate – The discount rate used to measure the total pension and OPEB liability was 7.5%. The projection of cash flows used to determine the discount rate assumed that contributions from participating employers will be made based on the actuarially determined rates based on the funding policy of the ASRS Board, which establishes the contractually required rate under Arizona Revised Statutes. Based on those assumptions, the Retirement, HBS and LTD Fund’s fiduciary net position was projected to be available to make all the projected future benefit payments of current members. Therefore, the long term expected rate of return on investments was applied to all periods of projected benefit payments to determine the total pension and OPEB liability.

Sensitivity of the net pension and OPEB liability to changes in the discount rate – The table below presents the net pension and OPEB liability of the participating employers calculated using the discount rate of 7.50%, as well as what the employers’ net pension and OPEB liability would be if it were calculated using the discount rate that is 1.00% lower (6.50%) or 1.00% higher (8.50%) than the current rate at June 30, 2018:

Exhibit 11: Discount Rate Sensitivity

(Dollars in Thousands)

Net Liability	Current Discount Rate		
	1% Decrease 6.50%	7.50%	1% Increase 8.50%
Retirement	\$ 19,881,029	\$ 13,946,481	\$ 8,988,261
HBS	\$ 127,589	\$ (36,009)	\$ (175,362)
LTD	\$ 59,214	\$ 52,250	\$ 45,494

Note 4. Basis for Allocation

The employers’ proportionate share, reported in the Schedules of Employer Allocations, is calculated using accrued retirement contributions for employers that were members of the ASRS, as of June 30, 2018.

Accrued contributions for employers who entered the ASRS mid-year have been annualized. Adjustments have been made for employer contributions received that do not reflect an employer’s projected long-term contribution effort. As a result, the total employer contribution amounts reported in the Schedule of Employer Allocations do not agree with the total employer contribution amounts reported on the Combined Statements of Changes in Fiduciary Net Position in the ASRS’ June 30, 2018 CAFR.

Exhibit 12: Reconciliation of Employer Contributions

	Retirement	HBS	LTD
Employer Contributions Reported in the ASRS’ Statement of Changes in Fiduciary Net Position of the CAFR	\$ 1,085,033	\$ 42,976	\$ 15,902
Adjust to properly represent contributions related to future contribution efforts	(101)	2	(13)
Deduct ASRS contributions not included in allocation	(1,484)	(58)	(22)
Deduct contributions for employers dissolved during the year	(16)	(1)	—
Total employer contributions used as the basis for allocating employer’s proportionate share of collective pension amounts	<u>\$ 1,083,432</u>	<u>\$ 42,919</u>	<u>\$ 15,867</u>

The difference in contributions, as reported on the June 30, 2018 Schedule of Employer Allocations, and the total employer contributions as reported on the Combined Statements of Changes in Fiduciary Net Position in the ASRS' June 30, 2018 CAFR, is a difference between employer contributions and proportionate share of contributions, which is allocated proportionately to employers on the Schedules of Pension, HBS OPEB and LTD OPEB Amounts by Employer, based on the calculated allocation percentage. That amount is deferred and recognized over the average of the expected remaining service lives of active and inactive members.

Note 5. Additional Financial and Actuarial Information

Additional financial information required to be disclosed by employers, in accordance with GASB 68 and GASB 75, is located in the notes and required supplementary information of the ASRS' CAFR for the fiscal year ended June 30, 2018. The additional financial and actuarial information is available at www.azasrs.gov. Requests for additional information should be addressed to:

Note 1. Recognition Period

The recognition period of the changes in proportion and differences between employer contributions and proportionate share of contributions, as well as the difference between expected and actual experience, and changes in assumptions are recognized over the average expected remaining service lives of active and inactive members. The difference between projected and actual investment earnings is recognized over 5 years. Plan amendments are recognized immediately.

The average expected remaining services lives of active and inactive members were as follows:

Average Expected Remaining Service Lives as of fiscal year end June 30,	Years		
	Retirement	HBS	LTD
2018	3.0	5.6	8.2
2017	3.2	5.9	8.6
2016	3.2	n/a	n/a
2015	3.2	n/a	n/a
2014	3.3	n/a	n/a
